

Cleveland Rape Crisis Center Virtual Fundraising Event Ideas

- **Physical Activity for a Cause:** Run/Bike/Walk a certain number of miles for Cleveland Rape Crisis Center. Donors could give for each mile of the activity or you can set a goal. (Ex. I'm riding 2,000 miles to raise \$2,000 dollars for survivors.) You could hold a virtual kickoff event before your activity begins and/or a virtual celebration party once you're finished with your supporters!
- **Virtual Concert:** Are you a musician or have friends with artistic talent? Try hosting a virtual concert for family and friends and ask for donations. Invite other musicians, performers, or artists for an open mic night or poetry slam virtual gathering.
- **Host a socially distant event:** Host an event and incorporate a socially distant activity; Yoga, Pilates or Meditation can all easily be done outside and six feet apart. Ask for a small donation to participate or make a donation ask at the end of the activity.
